Once you are registered for Patient Access System you are able to;- make appointments, request prescriptions and view your GP medical record online. The Patient Access medical record viewer allows you to look at test results, details of consultations and your medical history, including current and past medication.

If you would like to have secure online access to your records, we need to make sure that you understand what this involves and that you are happy for us to use the information provided below to set up and operate the service. **You will need to provide two forms of ID;- one form of photographic ID e.g. Passport or driving licence AND one form of recent non-photographic ID e.g. utility bill, benefits letter etc.**

The following form will take you through the things you need to think about. By signing this form you accept the declarations listed below and will be giving us your permission to go ahead with setting up the service for you (subject to your specific access requests). If you decide not to join, or wish to withdraw, it will not affect your treatment in any way.

The practice makes every effort to record information as accurately as possible, however there may be information that you do not feel is correct.
