Restriction	s? (Specify)							•			
Is there an	ything else you fe	eel we s	hould know abo	ut your	child's health?						

Sharing your Data for anything other than our Personal Care & The National Data Opt-out

Patients' personal confidential data is extracted and shared with NHS Digital in order to support vital health and care planning and research. Further information can be found by visiting the NHS Digital website: https://digital.nhs.uk/data-and-information/data-collections/general-practice-data-for-planning-and-research

Patients may opt out of having their information shared for Planning or Research by applying a National Data Opt Out and/or a Type 1 Opt Out. For more information, please see our website or go to https://www.nhs.uk/your-nhs-data-matters/

Type 1 Opt-out (Opting out of NHS Digital collecting your data)

Complete the type 1 opt-out form on our website: https://www.queensquare.org/website/P81013/files/Type%201%20Opt%20Out.pdf and post to the surgery or email to us at mbccq.queensquare@nhs.net

You can:

- register a Type 1 Opt-out, for yourself or for a dependent (if you are the parent or legal guardian of the patient) (to Opt-out)
- withdraw an existing Type 1 Opt-out, for yourself or a dependent (if you are the parent or legal guardian of the patient) if you have changed your preference (Opt-in)

National Data Opt-out (opting out of NHS Digital sharing your data with other organisations)

You will need to either:

- 1. **Go to the website:** https://www.nhs.uk/your-nhs-data-matters/manage-your-choice/ It will be useful to have your NHS no and an up to date email address or mobile phone number in your GP record which will be used to identify you.
- 2. **By Phone:** Call the NHS Digital Contact Centre on 0300 303 5678, Available Monday to Friday between 9am and 5pm (excl Bank Holidays)
- 3. **By Post:** A form is available to download from https://assets.nhs.uk/prod/documents/Manage_your_choice_1.1.pdf which you can complete & return to them by Post.

You can also make or change a choice for your children under the age of 13 or for someone you can legally make decisions for (You must have legal authority to make a choice for someone else, eg by Power of Attorney).

These are both done by post, you can download the forms at https://www.nhs.uk/your-nhs-data-matters/manage-your-choice/ but you will need to arrange to do this.

The practice is not able to process your National data opt-out for you.

Please ask the Receptionist for the "Your Data Matters to the NHS" leaflet for further information or go online.

Thank you for completing this questionnaire, please hand in to reception.
